AL FATEH
industrial suppliers

AFIS

An Iso 9001 : 2015 Certified Company
since 1998

Specializing in Valves, Flanges and Fittings

INDUSTRIAL VALVES & PIPING PRODUCTS

Gate Valve

Material : CI, CS, SS304, SS316, Brass, Bronze
SizeRange : ½"–24"
PressureRating : PN10/16/25/40,Class 150/300
Applications : Water Supply, HVAC, Fire Fighting, Oil & Gas, Chemical & Industrial Pipelines

Globe Valve

CI, CS, SS304, SS316, Brass, Bronze : Material
½"–12" : SizeRange
PN10/16/25/40, Class 150/300 : PressureRating
Steam, Water, Oil, Compressed Air,Process Lines, Throttling Service : Applications

Non-Return / Check Valve

Material : CI, CS, SS304, SS316, Brass, Bronze
SizeRange : ½"–24"
PressureRating : PN10/16/25/40, Class 150/300
Applications : Water, Pumps, HVAC, Fire Fighting, Industrial & Process Pipelines

Strainers

CI, CS, SS304, SS316, Brass, Bronze : Material
½"–12" : SizeRange
PN10/16/25/40, Class 150/300 : PressureRating
Water, Steam, Oil, Air, Pumps & Process Pipelines : Applications

Steam Trap

Material : CI, CS, SS
SizeRange : ½"–4"
PressureRating : PN10/16/25/40, Class 150/300
Applications : Steam Lines, Boilers, Heat Exchangers & Process Heating

Solenoid Valve / Safety Valve

Brass, Bronze, CS, SS304, SS316 : Material
¼"–6" : SizeRange
PN10/16/25/40, Class 150/300 : PressureRating
Water, Air, Steam, Oil, Gas, HVAC, Pressure Vessels & Industrial Automation : Applications

Air Vent

Material : CI, DI, CS, SS304, SS316, Brass, Bronze
SizeRange : ¼"–4"
PressureRating : PN10/16/25
Applications : Water Supply, HVAC, Irrigation, Fire Fighting, Industrial, Marine & Wastewater

Ball Valve

CI, CS, SS304, SS316, Brass, Bronze : Material
¼"–12" : SizeRange
PN16/25/40, Class 150/300/600 : PressureRating
Water, Gas, Oil, Air, Chemical & Industrial Process Lines : Applications

INDUSTRIAL VALVES & PIPING PRODUCTS

Clamp & Coupling

Material : DI, CI, SS304, SS316, Brass, CS, Aluminium
SizeRange : ¼"–24", 6–219 mm OD
PressureRating : PN10/16/25
Applications : Water Supply, Irrigation, HVAC, Industrial, Pumping, Dewatering, Agriculture, Oil, Chemical, Fuel Hydraulic & Pneumatic Systems

Angle Valve

Material : CI, DI, CS, SS
SizeRange : ½"–24"
PressureRating : PN10/16/25, Class 150
Applications : Water Supply, Plumbing, HVAC, Fire Fighting, Industrial & Process Pipelines

Pressure Gauge /Temperature Gauge /Thermometer

Material : SS, Brass
SizeRange : 2"–6" Dial
PressureRating : 0–1 to 0–1000 Bar, -50°C to 600°C
Applications : HVAC, Boilers, Water, Oil & Gas, Chemical & Industrial Systems

Fire Hydrant Valve

Material : Brass, Bronze, DI, SS
SizeRange : 1½"–2½"
PressureRating : PN16/25, Class 150
Applications : Fire Fighting, Fire Hydrant Systems, Industrial & Commercial Buildings

Foot Valve

Material : CI, DI, Brass, Bronze, SS304, SS316
SizeRange : ½"–12"
PressureRating : PN10/16/25, Class 150
Applications : Water Supply, Pumping Systems, Irrigation, Agriculture, Industrial & HVAC Systems

Gaskets – Rubber / Spiral Wound / Non-Asbestos

Material : EPDM, NBR, Neoprene, Graphite, SS316 + Graphite Fiber Gasket.
SizeRange : ½"–24"
PressureRating : PN10/16/25/40, Class 150/300/600
Applications : Water, Steam, Oil & Gas, Chemical, HVAC & Industrial Pipelines

Grooved Fittings

Material : Ductile Iron
SizeRange : 2"–24"
PressureRating : PN16, Class 150
Applications : Fire Fighting, Water Supply, HVAC, Sprinkler Systems & Industrial Pipelines

MS / SS / GI / SAE Flanges

Material : MS, SS304, SS316/316L, GI
SizeRange : ½"–24"
PressureRating : PN10/16/25/40, Class 150/300/600, 5K/10K/16K/20K,
Applications : SAE 3000/6000 PSI Hydraulic, Oil & Gas, Marine, Water Supply Chemical, HVAC & Industrial Piping

Water Meter

Material : Brass, DI, SS304, Composite
SizeRange : ½"–12"
PressureRating : PN10/16
Applications : Domestic Water Supply,Commercial Buildings, Irrigation, Industrial & Municipal Water Systems

PIPE FITTINGS

MS / SS Welded Fittings, Pipes & Tubes

Material : MS, SS304, SS316/316L
SizeRange : (1/4" - 24" , 6mm - 30mm)
PressureRating : SCH10/40/80/160
Applications : Water, HVAC, Hydraulic, Pneumatic,Oil & Gas, Chemical, Marine, Construction & Industrial Systems

High Pressure Fittings

Material : CI, DI, CS, SS304, SS316, Aluminium Bronze
SizeRange : 2"–24"
PressureRating : PN10/16/25, Class 150
Applications : Water Supply, HVAC, Fire Fighting,Irrigation, Oil & Gas, Marine, Chemical & Industrial Pipelines

Butterfly Valve

CS, MS, SS304/316L : Material
(1/4" - 6") : SizeRange
1000/3000/6000 PSI : PressureRating
Oil & Gas, Hydraulic, Instrumentation & High-Pressure Applications : Applications

SS Class 150 Fittings

Material : Galvanized Iron
SizeRange : ¼"–6"
PressureRating : Galvanized Iron
Applications : Water Supply, Plumbing, HVAC, Irrigation & Utility Lines

GI Fittings

SS304, SS316 : Material
(1/4" - 6") : SizeRange
SS304, SS316 : PressureRating
Water, Food, Chemical,Pharmaceutical & General Industrial Piping : Applications

Marine Valve

Material : Brass, SS316, GI, PU
SizeRange : ¼"–2", 6–50 mm
PressureRating : Brass, SS316, GI
Applications : Hydraulic, Pneumatic, Instrumentation, Water, Gas & Industrial Piping

Compression Fittings

CI, DI, CS, Bronze, SS : Material
½"–24" : SizeRange
CI, DI, CS, Bronze, SS : PressureRating
Marine Vessels, Shipbuilding, Ballast, Seawater, Cooling, Drainage & Ship Pipelines : Applications

MATERIAL RANGE

CI – Cast Iron | DI – Ductile Iron | CS – Carbon Steel | SS304 – Stainless Steel SS316 – Stainless Steel | BRASS | BRONZE | GI – Galvanized Iron

CATALOGUE PRESSURE-RATING NOTE

Pressure ratings and size availability are subject to valve/fitting design, manufacturer, end connection, temperature and applicable standard. Standard ratings include PN10, PN16, PN25, PN40 and ASME Class 150/300. Higher ratings are available for selected products.

ABOUT US

Al Fateh Industrial Suppliers W.L.L. (AFIS) Established in 1998, AFIS is a trusted supplier of valves, pipes, fittings, flanges, gaskets, hoses, and other piping and flow control products in Bahrain. We serve the Industrial, Oil & Gas, Marine, Petrochemical, Construction, Water, and other sectors with quality products from reliable manufacturers. With extensive experience and a well-maintained inventory, AFIS delivers reliable products, competitive solutions, and professional service to meet diverse project requirements.

Showroom Address (Branch Office)
Building No. 831, Road 31,
Block 608, Wadyan, Sitra,
Bahrain
Office Tel No: +973 17731085
E-mail: info@afisbh.com
Website: www.afisbh.com

Warehouse Address (Head Office)
Warehouse No. 34, Building 3380,
Road No. 357, Salman Bin Ahmed
Al Fatih Highway,
Block 603, Area - Mahazzah, Sitra
Store Tel No: +973 17731083
E-mail: info@afisbh.com
